9 June 1961

MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 2 to Contract No. HF-8143 with Westinghouse Electric Corp., Project IDEALIST (Air Force)

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

2. Contract No. HF-8143 covers the procurement of Contractor Technical Representatives for field support of the FOG program in Fiscal Year 1961. The Contract was issued on a Fixed Price Redetermination basis. Amendment No. 1 established the Final Contract Price; however, the contract work has been completed six (6) weeks prior to expiration of the contract and the parties hereto have mutually agreed to amend the contract's period of performance to read "through 19 May 1961" vice "30 June 1961" and to reduce the price of the contract on a proportionate basis.

3. Amendment No. 2 reduces the amount obligated under the contract by \$7,238.00 creditable to Air Force "No Year" funds in Fiscal Year 1961. By concurrence to this memorandum the Comptroller signifies that funds have been adjusted as provided above.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress, (formerly 10(b) - see 85-507 dtd 7/7/58) for each contract.

5. Concurrence in Amendment No. 2 to Contract No. HF-8143 is recommended.
